An Ode to **Unexplored Roads**

Skoda Slavia is a masterpiece derived from Skoda's rich legacy of crafting the world's finest sedans. Beyond the sleek contours and bold design, it carries the essence of exploration and style in every inch. We invite you to begin your exploration journey in utmost comfort and luxury. - Let's Drive, Let's Explore.

Exterior Design

Effortlessly blending classic charm with contemporary design language.
Turn heads everywhere you go with the stylish Skoda Slavia.

Front View

Skoda Slavia leaves an indelible mark with its captivating design. The Hexagonal Grille with Chrome Surround and Crystalline LED Headlamps with L-Shaped DRLs ensure it stands out, even on the busiest of streets.

Top View

Let in a little fresh air as you take a spin in your Škoda Slavia. The Electric Sunroof with Anti-Pinch Technology makes every journey memorable.

Rear View

Skoda Slavia's rear embodies modern sedan finish with features like the Crystalline Salt LED Tail Lamps, chrome highlights, and a tapered sporty coupé form.

Light Design

Enjoy exploration even after dark with the stylish Auto LED Headlamps.

Enhance Your Exploration with Light Design

Škoda Crystalline LED Headlamps with L-Shaped DRLs

The state-of-the-art headlamps are engineered with dependable fog lights to enhance visibility in rough weather. With Skoda Slavia's sleek DRLs amplifying the car's dynamic road presence, exploration remains uninterrupted.

Škoda Crystalline Split LED Tail Lamps

Inspired by Czech heritage, the tail lamps shine with dynamic LED lights, and their sleek, contemporary design positions Skoda Slavia at the pinnacle of style.

Interior Design

Elevate automotive aesthetics with the exquisite Stone Beige & Pirro Black Luxe Interiors. Enhanced by a 20.32cm Virtual Cockpit, complemented with chrome accents and ambient lighting, every moment of your journey exudes unmatched style and sophistication.

Comfort and Convenience

Features tailored to your needs, a tech-savvy world of comfort awaits as you set out on an exploration in this stylish sedan.

Electric Sunroof with Anti-pinch Technology

The sunroof opens up for you to enjoy sunlight, fresh air and elevated views.

Chrome Bezel Air Vents

Inspired by the metallic ring around the dial of a watch, the side air conditioning vents are adorned with magnificent chrome trims that stand out on the dashboard.

Ambient Lighting

Set the vibe with ambient lighting and take your drive to the next level.

All Weather Comfort

Skoda's commitment to comfort is evident in the ventilated black leatherette seats upfront, featuring a tasteful beige perforated design that guarantees optimal comfort in every weather condition.

Footwell Illumination

Experience a new level of luxury in your car with our glowing Footwell Illumination.

Electric Seats for Driver & Co-driver

Immerse yourself in ultimate comfort and luxury with our revolutionary (first-in-segment!) electric front seats.

Infotainment, Cockpit, Connectivity

One Touch, Limitless Experiences

Experience a hassle-free journey filled with endless entertainment and integrated features, all at your fingertips.

25.4cm Škoda Infotainment System

25.4 cm Infotainment System with ŠKODA Play Apps

20.32cm Škoda Virtual Cockpit

The virtual display behind the steering wheel features information like speed, distance travelled, service interval, average fuel consumption, and much more.

MyŠKODA ConnectED

The inbuilt connectivity mobile online services can be accessed at any time via the MyŠKODA ConnectED app. The app displays a clearly laid out Vehicle Health Report on the smartphone. The system automatically stores important data every time the ignition is switched off. Remote vehicle access is also available, which allows owners to retrieve vehicle information and driving data, including the car's parking location.

Track Your Car

Keep an eye on your car's location from your home or office and stay informed when someone is driving your car.

Real-time Speed Tracking

Monitor the real-time driving speed.

Geofence Breach Notification

Add a geofence for your car and get alerts when the boundary is breached.

Roadside Assistance

Get roadside services like flat tyre repair, battery jump-start, misfiring, towing and a lot more.

Device Tampering Alert

Stay alert with prompt notifications on Device Tampering.

Driving Behaviour

Get real-time information on driving behaviour, e.g. harsh braking, sharp turns, overspeeding and rapid acceleration.

Walk To Car

Locate your car quickly in big parking lots or crowded areas.

Route Tracking/Deviation Alert

Live track the travel route taken by your family and get quick deviation alerts.

SOS (Emergency SMS with Location)

Long press the SOS button to send an emergency SMS to your contacts with your location.

Tow Alert

Get an alert in case your car is being towed away.

Performance

Experience the thrilling fusion of raw power and efficiency. Our advanced 1.5L 110 kW (150 PS) TSI engine, equipped with Active Cylinder Technology (ACT), ensures unwavering performance. This powerhouse retains its eco-friendly edge with Start & Stop Recuperation (SSR) technology, setting a new standard for dynamic driving.

Skoda Slavia has 2 engine variants (1.0 TSI and 1.5 TSI) with 2 gearbox variants each. All variants have SSR and deliver efficiency with dynamism.

Manual Transmission

Car comes equipped with 1.0 TSI 6-Speed Manual Transmission

Automatic Transmission

Depending on the variant of your choice, the car comes equipped with 1.0 TSI 6-speed AT and 1.5 TSI 7-speed DSG

Both engine variants of Skoda Slavia offer excellent transmission options for you to choose from.

1.0 TSI (Turbo Stratified Injection) Engine:

The 1.0 TSI engine, with 85 kW (115 PS) and 178 Nm torque, is powerful yet efficient. It is available in both manual and automatic transmissions.

1.5 TSI (Turbo Stratified Injection) Engine:

Skoda Slavia's 1.5 TSI engine with Active Cylinder Technology (ACT) churns out 110 kW (150 PS) and 250 Nm torque which ensure exceptional acceleration for sporty drives. It is available in automatic transmissions.

GLOBAL  NCAP   ★★★★★★

Safety

Skoda Slavia is a safety marvel armed with 6 airbags, Anti-Theft Alarm, Electronic Stability Control (ESC), Traction Control System (TCS), Multi-collision Braking and a range of advanced safety technologies, ensuring a secure journey regardless of your destination.

High Strength Steel Frames

Skoda Slavia has secured its position as India's safest family sedan with its robust, high-strength steel body that effectively absorbs kinetic energy, by minimizing the impact of any accident. Seamlessly integrated restraint systems like seat belts and airbags provide unbeatable on-the-go safety. Its marvelous design and engineering represent the epitome of safety, as evidenced by its 5-star Global NCAP rating for child and adult safety.

Driver And Passenger Front Airbags

In case of an accident, the driver's airbag in the steering wheel and the passenger's airbag in the dashboard are always ready to protect you & your loved ones.

Front Side Airbags

These airbags protect the pelvis and chest of the driver and passengers in case of a side collision.

Curtain Airbags

These airbags shield the driver and passengers against head injury in the event of a side collision.

Multicollision Brake

MKB is standard across all variants. In case of an accident, it prevents further uncontrolled movement of the car to avoid more collisions.

Anti-lock Braking System

ABS helps maintain control of the vehicle during emergency braking. An ABS intervention is noticeable from the pulsating movements of the brake pedal. This feature is standard across all variants.

Electronic Differential Locking System

Standard EDS ensures stability on diverse road surfaces, while XDS+ helps cornering by braking inner wheels, effective up to 30km/h.

Motor Slip Regulation

MSR ensures control by increasing engine torque if the driver-side wheels lock during sudden speed reductions, thus preventing wheel slip. Standard across all variants.

Park Distance Control

Park in small spaces with ease. This system is standard across all variants and helps you factor in nearby objects to help you park safely.

Anti-theft Alarm

This function, which is standard across all variants, detects vibrations to identify unauthorised access to the vehicle and immediately sends you an SMS in case of an attempted breach.

Traction Control System

TCS/ASR, which is standard across all variants, helps stabilise the vehicle when driving on low-grip roads. It reduces the drive power transmitted to the wheels when they slip.

Brake Disc Wiping

The BDW feature ensures safety while driving in the rain by removing excess water from the brake to maintain a short braking distance. This feature is standard across all variants.

Hill Hold Control

Conquer gradients with HHC that allows a safe start uphill without using the parking brake.

Tyre Pressure Monitoring System

Avoid unnecessary pitstops by keeping tabs on your tyres. This feature, which is standard across all variants, detects and alerts the driver to a drop in pressure in any of the 4 tyres.

Electronic Stability Control

Stay on course even in tricky situations. ESC helps to maintain directional stability and tyre traction during understeer and oversteer. This feature is standard across all variants.

Storage and Utility

Skoda Slavia offers you more than just space. It has plenty of thoughtfully crafted storage options for all your travel essentials.

Luggage Capacity

Never compromise on boot space. Shoda Drive sets the standard with best-in-class storage – 523 litres with rear seats up, and a whopping 1000 litres when folded down.

Storage In Front And Rear Doors

Cupholders In The Armrest

Storage In Front Centre Armrest

Cooled Glove Box

Driver Storage Compartment

Smartphone Pocket
The thoughtfully placed for the rear passengers allows them to store their smartphones safely.

Reflective Safety Tape On All Four Doors
Open your door safely by staying visible to other drivers even in low light conditions.

Smart Grip Bottle Holder
Designed to hold your beverages firmly in place, this feature even allows you to open your bottle with one hand.

Smartclip Ticket Holder
Placed right at the side of the windshield, the SmartClip Ticket Holder ensures that the required tickets are displayed without hassle.

Utility Recess On the Dashboard
The additional space carved out on the dashboard adds an aesthetic touch to the interior design.

Two USB-C Sockets in the Rear
Passengers in the rear seat can easily charge their devices with two USB-C sockets.

Coat Hooks
The coat hooks on the rear roof rail sides help you keep your stuff handy without disturbing them.

2-spoke Multi-functional Steering Wheel With Chrome Scrollers

The multi-functional steering wheel offers hands-free audio control with stylish chrome scrollers and adjustable positioning for driver comfort.

Climatronic Air Conditioning with Aircare Function

Climatronic automatic air conditioning maximizes cabin comfort for everyone.

Kessy

The Keyless Entry Start & Stop System enables convenient locking and unlocking of the car.

12V Power Socket In Front Central Console

The power socket in the front central console helps you power devices on the go.

Cruise Control

In addition to maintaining the preselected speed, cruise control enables you to increase or reduce speed without using pedals.

Adjustable Rear A/C Vents

The adjustable rear A/C vents ensure comfort for the rear passengers in the car.

Wireless Charging

Charge your phone wirelessly while driving (only on selected phones).

Rear View Camera with Static Guidelines

Reverse and park safely with a rear camera.
